PATIO ENCLOSURES®

EVENT BOOTH PITCH GUIDE · The SPACE Method

THROUGHLINE
The more you learn, the stronger the appointment. Qualify well, ask for the visit, confirm before they walk away.

S — START THE CONVERSATION

Open with curiosity — get them talking

OPENERS:

- *"Hi! Are you thinking about adding extra living space to your home?"*
- *"Have you ever wished you could enjoy your patio or deck year-round?"*
- *"What brings you to the show today?"*

★ **BONUS OPENER:** *"We're running a $100K Home Makeover sweepstakes — scan the QR code to enter, no purchase necessary!" Hand them the flyer and move on.*

P — PRESENT WHO WE ARE

Deliver the core message with confidence

- Trusted for over 60 years — your project is in experienced hands.
- We design, manufacture, install, guarantee & service it all.
- Every product is custom-made for your space — no off-the-shelf kits.
- Beautiful, usable living space without the cost of a full home addition.

WHAT WE BUILD:

- **Sunrooms**
- **Screen Rooms**
- **Patio Enclosures**
- **Patio Covers & Awnings**

A — ASK & QUALIFY

Keep them talking — listen more than you speak

- *"Do you have an existing deck, concrete patio, or covered porch?"*
- *"Are you looking for something seasonal or a year-round space?"*
- *"Is this about enjoying the outdoors more, or creating a true extra room?"*

LISTEN FOR:

- Existing structure
- Climate preference
- Motivation: entertaining, hobbies, extra room

C — CLOSE WITH THE OFFER

Ask for the appointment — free, no pressure

"Great – let's get one of our design consultants out to you. They'll measure your space, bring samples, and use our design app to show you exactly what it could look like – completely free, not obligations. Are weekdays or weekends easier for you?"

IF THEY SAY…	YOU SAY…
"We're just browsing."	"Perfect — it's free and zero pressure. Just ideas!"
"We need to think about it."	"Our consultant answers every question right at your home, on your timeline."
"We can't afford it right now."	"No cost to find out what's possible — you might be surprised."

E — EXIT WITH EXPECTATIONS

Warm-down — set them up before they leave

1. **Thank & Recap:** *"Thanks for stopping by! Just to confirm — you're looking at a _____ and we have your appointment set for _____ at _____."*
2. **What to Expect:** *"Your design consultant will come to your home, measure the space, bring product samples, and use our design app to help plan your project. Plan for about 90 minutes — no pressure, no obligation."*
3. **Decision Makers:** *"Please make sure all homeowners and decision makers are present for the visit." Ask about a spouse/partner if not mentioned.*
4. **Confirm & Send Off:** *"You'll get a confirmation email shortly and a text reminder 24 hrs before. Check your spam if you don't see it. Any questions before you go?"*

OBJECTION RESPONSES

"It's too expensive."
We offer flexible financing — and this costs far less than a full home addition. Our consultant will work within your budget.

"I need to think about it."
The free in-home consult is zero obligation and gives you exact pricing. Book now while we're here!

"I can get it cheaper elsewhere."
We build in the USA, use premium materials, and back it with a lifetime warranty. Compare total value.

"How long does it take?"
2–5 days to install once permits are approved. We handle all permitting for you.

"My HOA might not allow it."
We navigate HOA requirements all the time — we'll provide the documentation you need for approval.

KNOW YOUR LIMITS — What We Cannot Do (+ What To Say Instead)

CATEGORY	✕ WE CANNOT…	☑ REDIRECT WITH…
STRUCTURAL / HOME REQUIREMENTS	Build on unstable, rotting, or non-load-bearing foundations without remediation	Designer assesses slab/deck at the free consultation — no charge to you.
	Attach to a home with significant structural damage or failing walls	We want it done right — let's book the consult so our team can evaluate and recommend the safest path.
	Install on mobile homes, modular units, or non-permanent structures (most cases)	We specialize in site-built homes. The free in-home visit will confirm eligibility.
	Build a freestanding structure	We design enclosures that attach to your existing home — our designer can explain the options at your free consultation.
PRODUCT CUSTOMIZATION	Provide fully custom architectural designs beyond our standard catalog	Our line covers a wide range of styles and sizes — a designer can show you what's achievable.
	Perform licensed trade work (HVAC, electrical, plumbing) — we prep the space and coordinate	We prep the room and connect you with trusted trade partners to finish the job.
PERMIT / HOA RESTRICTIONS	Override a permit denial in flood zones, historic districts, or setback violations	We handle all permit applications and will tell you upfront if a restriction applies.
	Guarantee HOA approval — some HOAs restrict materials, size, rooflines, or colors	We have extensive HOA experience and provide all documentation needed to support your approval request.
